---

April 22, 2016

Dear Property Owners:

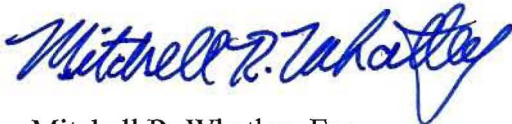

To prevent unfair overpayment of annual assessments, Property Owners who have a Runway Access Licensee and pay a license fee for access will be assessed the difference between the license fee and the approved assessment until the status of the Runway Access License has been determined.

Example:

POA Assessment	\$283.50	
Runway license fee	<u>\$128.00</u>	
Amount paid to POA	\$155.50	(\$283.50 - \$128.00)

The Board of Directors will work as quickly as possible to eliminate this inconvenience.

Sincerely,

Mitchell R. Whatley, Esq.  
President
